

**UNITED STATES DISTRICT COURT
DISTRICT OF MINNESOTA**

United States of America,

Case No. 23-cr-358 (JMB/TNL)

Plaintiff,

v.

ORDER

Derrick John Thompson,

Defendant.

This matter comes before the Court on Defendant Derrick John Thompson's Motion for Continuance of Motion Filing Date, ECF No. 19. Defendant also filed a Statement of Facts in Support of Exclusion of Time Under the Speedy Trial Act, ECF No. 20.

Defendant requests that the deadline to file pretrial motions be continued one week to January 17, 2024. Defendant states that he and his counsel "need additional time to review discovery, analyze his matter, and discuss options for resolving his case." ECF No. 19 at 1. Defendant states that the Government has no objection to his request.

Pursuant to 18 U.S.C. § 3161(h), the Court finds that the ends of justice served by granting a continuance outweigh the best interests of the public and Defendant in a speedy trial and such continuance is necessary to provide Defendant and his counsel reasonable time necessary for effective preparation and to make efficient use of the parties' resources.
